

**TMV7A.EXE**  
**SOFTWARE TEST PROCEDURES**  
**VOL 4-2**  
**NAG SCREEN**  
**Ver 1.0.0**  
**Dec 21, 2013**

**FORM ACTIVATION**

| <b>Step</b> | <b>Test</b>   | <b>Result</b> |
|-------------|---|---------------|
|             | <b>This tests the initial activation of the Nag Screen.</b>   |               |
| 1           | Delete the <b>TMV7A.ini</b> file from the <b>TMV7A_WC</b> folder.   |               |
| 2           | Copy the file <b>4-2 Nag Screen.ini</b> to the <b>TMV7</b> folder and rename it <b>TMV7A.ini</b>  |               |
| 3           | Launch the application.   |               |
| 4           | Dismiss the <b>No COM Port Configured</b> Information message.  |               |
| 5           | Accept the default value of <b>1</b> and select the <b>&lt;OK&gt;</b> button of the <b>COM Port</b> dialogue box.   |               |
| 6           | Dismiss the <b>Unable to Open COM1...</b> Error message.  |               |
| 7           | Accept the default value of <b>1</b> and select the <b>&lt;OK&gt;</b> button of the <b>COM Port</b> dialogue box.   |               |
| 8           | Dismiss the <b>Unable to Open COM1...</b> Error message.  |               |
|             | Ensure the <b>Nag Screen</b> is displayed in the <b>centre</b> of the display.  | _____         |
|             | Ensure the <b>Title Bar</b> displays the text " <b>TMV7A Not Registered !</b> ".  | _____         |
|             | Ensure there are <b>no Icons</b> on the <b>Title Bar</b>  | _____         |
|             | Ensure the text " <b>This copy of TMV7A.EXE is not yet registered. Registration is free and provides you with information and details on program development, bug fixes, program enhancements and new releases</b> "                            |               |
|             | <b>"Registration is optional and program functionality is not restricted in any way if you do not wish to register. You will, however, continue to see this 'annoying Nag screen every time you launch TMV7.EXE."</b> is displayed on the form. | _____         |
|             | Ensure the following buttons are on the form:   |               |
|             | <b>&lt;Help&gt;</b> Disabled  | _____         |
|             | <b>&lt;Cancel&gt;</b> Enabled   | _____         |
|             | <b>&lt;Register&gt;</b> Enabled   | _____         |

| Step | Test   | Result |
|------|--|--------|
|      | Ensure the <b>&lt;Register&gt;</b> button has the focus. | _____  |

## TAB ORDER

| Step | Test  | Result |
|------|---|--------|
|      | <b>This tests the Tab order of all controls and buttons.</b>          |        |
| 1    | Select the <b>&lt;TAB&gt;</b> key.                                    |        |
| 2    | Ensure the <b>cursor</b> moves to the <b>&lt;Cancel&gt;</b> button.   | _____  |
| 3    | Select the <b>&lt;TAB&gt;</b> key.                                    |        |
| 4    | Ensure the <b>cursor</b> moves to the <b>&lt;Register&gt;</b> button. | _____  |
| 5    | Select the <b>&lt;SHIFT+TAB&gt;</b> key.                              |        |
| 6    | Ensure the <b>focus</b> moves to the <b>&lt;Cancel&gt;</b> button.    | _____  |
| 7    | Select the <b>&lt;SHIFT+TAB&gt;</b> key.                              |        |
| 8    | Ensure the <b>focus</b> moves to the <b>&lt;Register&gt;</b> button.  | _____  |

## BUTTON FUNCTIONALITY

| Step | Test  | Result |
|------|---|--------|
|      | <b>This tests the functionality of each button.</b>   |        |
| 1    | Select the <b>&lt;Help&gt;</b> button on the <b>Registration dialogue</b> box.  |        |
| 2    | Ensure there is <b>no response</b> to the mouse click.  | _____  |
| 3    | Select the <b>&lt;Cancel&gt;</b> button.  |        |
| 4    | Ensure the <b>Please Register</b> Information message " <b>Please consider registration in the future</b> " is displayed. | _____  |
| 5    | Select the <b>&lt;OK&gt;</b> button.  |        |
| 6    | Ensure the message is dismissed.  | _____  |
| 7    | Ensure the <b>Nag Screen</b> is dismissed.  | _____  |

| Step | Test   | Result |
|------|--|--------|
| 8    | Close the Application.   |        |
| 9    | Launch the application.  |        |
| 10   | When the Nag Screen is displayed, select the < <b>Register</b> > button. |        |
| 11   | Ensure the <b>Registration</b> dialogue box is displayed.                | _____  |
| 12   | Cancel the <b>Registration</b> dialogue.                                 |        |
| 13   | Dismiss the <b>Confirmation</b> message.                                 |        |
| 14   | Close the application .  |        |

**END OF TEST**
